# WARDS TOP 10 BEST INTERIORS FOR 2016!

The C1UL (Cadillac XT5) program makes the prestigious 'Wards 10 best Interiors' shortlist at this year's Wards Auto Interior Conference. ABC Group is a major interior supplier to this vehicle, including console assembly, garnish trim, roof trim, as well as cargo and trunk trim.

Let's congratulate the entire team and all those Departments and Facilities (ABC Technologies and MSB2) that have supported this program.
