ABC Group Inc. has once again been honored by General Motors (GM) with the Supplier of the Year Award for 2015. This year's award recognizes ABC Group's achievements in the Exterior Systems category.

The Supplier of the Year Award is offered to General Motors suppliers who exhibit best-in-class performance. Exterior Systems & ABC INOAC Exterior Systems received the recognition for running boards and spoilers. This is a clear reflection of our solid contribution in a mutual effort to provide GM customers with the best vehicles and services in the industry.

ABC Group has the distinct honor of being recognized for the **tenth time**, since 1992, as General Motors Supplier of the Year.
